**Philosophy Tripos Honour Code**

- 1. We take it as a principle that maintaining the integrity and fairness of examinations should be regarded as a collaboration between students and the Faculty.**
  - 2. The students undertake that they will not help others in examinations and will not receive any help from others (students or non-students).**
  - 3. Students will actively contribute to ensuring that all students adhere to the code.**
  - 4. Students will keep to the conditions of the assessment and will accurately report those conditions when asked.**
  - 5. The Faculty will not make any attempt at remote invigilation of online examinations.**
-
