FOR DISCUSSION GROUPS ONLY

How did the sessions measure up to the Faculty's stated Aims and objectives?

The overall aim of these groups is to enable students to discuss some topics in the syllabus, thus complementing one-to-one supervisions and lectures. Please comment on the following:

Did the sessions:

(a) foster a co-operative rather than competitive environment for discussion?

(b) encourage open-minded exploration of ideas, without losing focus on the key issues?

(c) encourage participation by all members of the group?

(d) ensure that the material assigned for each session is adequately covered?
