

Awards, Honors & Prizes

Now online on *Gale Directory Library*

Awards, Honors & Prizes describes thousands of world-wide awards given for achievements in virtually every field of endeavor, including arts, fashion, environment, medicine, music, sports, technology, science and other fields. *Awards, Honors & Prizes* includes descriptions and full contact details for many different types of sponsoring organizations, such as non-profits, charitable organizations, publishing houses, festivals and competitions, universities/colleges, research centers,

broadcasting-related organizations and many others.

Each annual edition of this venerable resource describes more than 24,000 awards from more than 7,500 international sponsoring organizations composed of more than 130 countries. Multiple editions are available by standing order, ensuring access to the most up-to-date information as well as historical data. Entries typically include: full award name; bestowing body name and address; full contact details, including phone, fax, e-mail and Web site; a detailed description of the award, including eligibility, date established and the purpose; and more. *Awards, Honors & Prizes* on the *Gale Directory Library* offers complete international coverage of bestowing bodies (available individually in the print edition).

Real-world users might include:

- Users in virtually any field can research the range of award-giving bodies and quickly determine eligibility based upon specific requirements
- Human Resources professionals can quickly evaluate the significance of awards listed on resumes
- Organizations seeking guidance in establishing a new award or expanding an existing program can research similar awards and giving bodies
- And many others

ABOUT GALE DIRECTORY LIBRARY

With *Gale Directory Library*, researchers can use state-of-the-art functionality to perform a range of data sorting, filtering and exporting. These innovative features, unlike anything seen previously from our directories, make *Gale Directory Library* the essential tool for research.

- Find contacts — Finding a company, person, publication (or other kind of entity) is easy. Basic search lets users quickly look up names, search by keyword, and browse the full text of your directory holdings.
- Generate lists, analyze trends — Export search results and use them in programs like Excel or Word, making the creation of mailing lists a snap.
- Cross-searchable — Search across our growing number of directory titles. Each directory can be searched individually by its own unique data fields, or search the entire directory collection.
